

## STATEMENT OF PURPOSE

### RS23171

This is the Fiscal Year 2015 appropriation for the Children's Programs Division of the Public Schools Educational Support Program in the amount of \$230,304,900. This budget includes a net decrease for nondiscretionary adjustments that include decreases for estimated costs for border contracts, exceptional student contracts, and an increase for the Idaho Digital Learning Academy. There is \$200,000,000 of federal spending authority that supports between 40 to 50 federal programs annually. Also included are three line items.

Line item 1 moves \$2,165,700 of dedicated funds from the safe and drug-free schools program into discretionary funds in the Operations Division. This is the first year of a two-year phase back of these funds and leaves \$2,444,300 in this division for safe and drug-free schools programs.

Line item 7 moves \$5,813,500 from the General Fund and \$90,000 from dedicated funds to the Central Services Division. These funds include: \$4,060,000 for literacy programs, the math initiative, and remediation of non-Title I schools that fail to meet proficiency; \$963,500 for college entrance exams; \$740,000 for end-of-course exams; \$50,000 for administration and evaluation of the limited-English proficiency program, and \$90,000 for administration and evaluation of the safe and drug-free schools program.

Line item 8 provides \$4,000,000 one-time of dedicated funds to be distributed to school districts and charter schools to purchase instructional content or curriculum.
